2016 was a good year for OFOH starting in May through December. We had a total of 12 disabled veterans out on quality hunting trips. We were able to do the 1 Spring Bear, 2 Elk hunts and 9 waterfowl hunts.

The 2017 season looks to be even more busy, we look forward to building more strength, hope and clarity with our veterans.

We have 2 spring Turkey hunts.

First time waterfowl hunt for Jesse Knott, We had birds working all day. Jesse was able to get his first limit of Ducks.

Trevor worked hard all pre season practicing shooting his bow. He wasn't going to let losing his arm in battle keep him from mastering the bow. We worked the late season for cow elk. Trevor was able to put a good stock on and get within 35yds from a nice cow elk and let er rip. We tracked through the snow for several miles before the sign dried up.

Travis and Kaylan, both had a great time on their first ever waterfowl hunt, we had a great time getting to know these guys. We have them in for Spring Bear. Our fingers are crossed they pull tag and we will have more to discuss

OFOH was excited to be a part of Paul's Spring Bear Hunt, We had to work hard for this one. This was an 8 day hunt scouring the better part of the GMU before we stumbled on this sow. Paul made a great shot and was happy to have this bear in the freezer.

OFOH sponsored a table at the Mule deer foundation dinner banquet. In Attendance Starting left and moving right we have :

Paul, Ray, Jason, Vince, Gary, Tony and Cody, Often its not ALL about the woods We like to get out with like minded folks who have been through similar experience's and share how we make it day to day.

OFOH picked up the dinner tab so these fine folks could have a night out for some fun auction and games.

Lenny Littlejohn on his first ever Waterfowl hunt this December.

Before Lenny's parachute accident Lenny was an Avid Montana Hunter, He has taken 8 of the Montana Big 10. Lenny Gave up hunting as he thought his career was over. OFOH was able to show him that its all about the company you keep. He now has Spring Turkey Fever and is looking forward to us getting him back out in the woods.
